B.E. CSE- SriEshwar College of Engineering 1 st Sem: CGPA : 7.73 2 nd Sem: 7.98	2024-2025
+2 Science - Triton International College , Kathmandu 67%	2022
School- Shree Durga Khobari Janta Secondary School 82.5%	2020

PROJECTS

Online Food Ordering System:

Developed a user-friendly web application for seamless food ordering and delivery. Integrated real-time menu browsing, cart management, and secure checkout with order tracking. Enabled user authentication, restaurant dashboard, and admin controls for inventory and delivery management. Designed to improve restaurant operations and enhance customer experience through convenient, contactless ordering.

Return & Refund system:

Developed a **Return & Refund Management System** using **Spring Boot** with role-based authentication for customers and admins. Customers can submit return/refund requests and track their status, while admins can approve or reject requests through a dashboard. Designed and implemented **RESTful APIs**, integrated **Spring Data JPA** for database operations, and ensured secure and scalable backend architecture.

CERTIFICATIONS

Mastering Data Structure & Algorithm using C and C++	Udemy	2025
C and C++ Certificate Spoken Tutorial By IIT Bombay		2024
DSA using Java	Guvi	2025
Java from zero to first job	Udemy	2025
CTF Certificates in cyber security		2024

ACHIEVEMENTS

Won Second Prize In Freshathon	2024
Won First Price in Creathonthon	2025

CODING PROFILES

Leetcode :Solved 100+ problems | **Global Rank** :1,355,515 | [Link](#)

Skill Rack: Solved 1500+ problems | **Rank** : 74,883 | [Link](#)

Codechef: Solved 620+ problems | **Country Rank**:47 | [Link](#)
